Sada ovako izgleda

A group of children are gathered around a wooden table, playing a board game. A girl in a pink shirt stands behind the table, observing the game. Three boys are seated at the table: one in a striped shirt on the left, one in a dark blue shirt in the foreground with his back to the camera, and one in a white hoodie on the right. They are focused on the game, which involves a wooden board and various pieces. In the background, there is a large, vibrant mural on the wall featuring a woman's face, birds, and flowers. To the left, a black shelving unit holds various items. A girl in a pink shirt is also visible on the right side of the frame, standing near a doorway. The room has green and white walls and a light-colored floor.
